To the Metropolitan Art Museum of New-York City

Dear Sirs:

Please take note that I deliver since many years specially to Libraries, Numismatic Associations and Museums of your country coins and medpeper collections of Germany of great historical and collector value. My specialties are for all things the seldom needcoins of porcelain and I have allowed me to send you by separate mail two very fine sets the one is of „Hannover" the other of „Rothenburg" If you will keep them for your Museum, please have the kindness to send me the amount of $ 3.— ($ 1,50 each set) by International Money Order p.t.o.

Best thanks in advance. I could send you complete collections of paper need money and coins by metal, the former need money by leather and silk in the amount of $ 2- 300.-

Please let me know whether you are interested in such coins and paper money, if yes, I would be ready to send you collections for choice.

I should be very pleased to hear from you soon good news and in the meantime, I remain with best Whitsundite Greetings

Yours very truly

Rudolf Loos

Dear Sir:

Your letter to the Metropolitan Museum together with the two sets of porcelain medals have been turned over to this Society for reply as they do not collect such things. We also are not interested in these pieces that you sent. As these pieces were not ordered, if you wish them back please send sufficient postage for their return.

Very truly yours,

Curator
